GARDEN FESTIVAL
20 - 29 OCTOBER 2023

RENMARKROSES.COM

The Cellar door awaits...

The Angove family were pioneers of the Riverland, establishing the regions first winery and distillery in Renmark in 1910.

Today, the family continues its commitment to excellence. Angove Family Winemakers is Australia's leading organic grape grower and winemaker, while the St Agnes Distillery and Barrel Halls develop and nurture premium brandy with age statements of 3 to 40 years along with Blind Tiger Organic Gin. It is also the home of Stone's Original Green Ginger wine.

Visitors are welcome to taste a range of premium, multi-award-winning Angove wines at the cellar door, located right in the beating heart of the winery.

The cellar door is open 7 days a week and regularly hosts local artists and jewellery designers in addition to offering local produce for sale.

Tours of the St Agnes Distillery are also available, with bookings required in advance.

We look forward to welcoming you soon.

Our Cellar Door is open

WELCOME TO THE 2023 RIVERLAND ROSE AND GARDEN FESTIVAL PROGRAM.

The new-look program still brings you all the festival information needed to plan visits to our wonderful open gardens, events and attractions for this year's festival.

We believe the event, in its 29th year, is an annual chance for the Riverland to come together, celebrate our beautiful region and showcase the area to the rest of South Australia and beyond.

We have a number of our regular, popular components going ahead this year including the open gardens, Waikerie and Districts Community Flower Show, Festival Fair, Gala Dinner and Renmark Institute display.

We thank all of our gardeners for their time and effort, and encourage locals and visitors to make their way to gardens listed in the program.

We promise you won't be disappointed, with gardeners from across the Riverland generously offering to showcase their wonderful gardens. They have spent hundreds of thousands of dollars across the Riverland to maintain their gardens ready for presentation, and we cannot thank them enough for their efforts.

The passion and love for all things gardening will be obvious when you take the opportunity to meander through these gorgeous properties.

For a second consecutive year, the gala dinner will be held outside of the Renmark district following the history-making change last year.

We are pleased to welcome the Loxton Precinct as our host for the popular dinner event and look forward to celebrating this year's successes in style.

Committee president Michelle Dominic will officially open the Riverland Rose and Garden Festival at the annual Festival Fair on Saturday 21 October.

This year we have welcomed new committee members and friends of the festival, and each and every single one of them has been instrumental in organising this year's event.

We would like to thank all of our wonderful sponsors, committee members, committee guests, and everyone who has made putting this event possible each and every year.

We are already planning a very special festival for next year, to help celebrate our 30th anniversary of this wonderful event.

- Riverland Rose and Garden Festival Committee

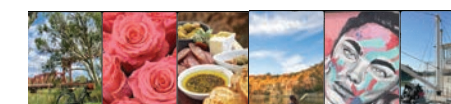

Hon Zoe Bettison MP
MINISTER FOR TOURISM

Welcome to South Australia's Riverland, and to the 2023 Riverland Rose and Garden Festival.

The Riverland is a very special part of our state. It is the largest grape growing area in Australia, and it is built around Australia's longest river, the mighty Murray. The regional community and its many vibrant businesses were hit hard by the once-in-a-century floods over the summer, a time usually peak for tourism.

It means this year's Riverland Rose and Garden Festival is more important than ever – and with 24 open gardens, it promises to be bigger and better than ever. Regional events are hugely valuable for our local economies, enticing visitors and boosting businesses – and this one does just that.

The State Government is pleased to support the Riverland Rose and Garden Festival, through the South Australian Tourism Commission's Regional Event Fund. I wish you a wonderful time experiencing all this festival has to offer, and I encourage you to explore the Riverland while you're here.

SATURDAY 21 OCTOBER

Festival Fair

THE 2023 RIVERLAND ROSE AND GARDEN FESTIVAL FAIR IS WELL ON TRACK FOR ANOTHER SUCCESSFUL YEAR.

The popular fair and market will kick off the festival on Saturday 21 October, from 9am to 2.30pm, at the Jarrett Memorial Gardens in Renmark.

The 2023 Riverland Rose and Garden Festival will be officially opened by Michelle Dominic at 11am, during the event.

The market will again provide a great variety of stalls from delectable cakes, biscuits and condiments to fresh produce and a showcase of locally crafted jewellery, candles, toys and much more.

Wander the stalls, take in great views and treat yourself to the great food and coffee available.

The popular Riverland Kennel Club dog obedience display will return for a fourth year, with the event, run by Sue Laidler, expected to be a hit once again.

Emergency services including the Country Fire Service, State Emergency Service and Royal Flying Doctor Service will also be present.

**Saturday 21 October
9am to 2.30pm
Jarrett Memorial Gardens**

Entry will cost \$2 at the gate, with all proceeds going towards keeping the Riverland Rose and Garden Festival in tip-top shape into the future.

Visitors with dogs will be allowed entrance with their dog kept on a leash.

FRIDAY 20 OCTOBER

A night under the stars at Calperum Station

A SURPRISE GUEST,
A THREE-COURSE MEAL
AND A BUSH BREAKFAST
ARE ALL ON THE MENU FOR
THIS YEAR'S CALPERUM
STATION BUSH BALL.

Get ready for a night of enchantment and celebration as the Bush Ball kicks off 10 days of festivities in the spectacular Riverland region.

Set within the backdrop of Calperum Station, just outside of Renmark, this unique event promises an unforgettable experience filled with scrumptious food, captivating entertainment, and the spirit of the Australian bush.

Indulge in an award-winning Riverland-themed menu, designed by Salt and Pepper Catering, which will showcase the region's finest culinary creations and selections of fine wine.

The festivities kick off at 6.30pm for pre-event drinks, setting the tone for an

extraordinary night ahead.

After a successful event last year, Calperum Station associate director Julie Robertson said the team are "excited to be part of the Riverland Rose and Garden Festival again".

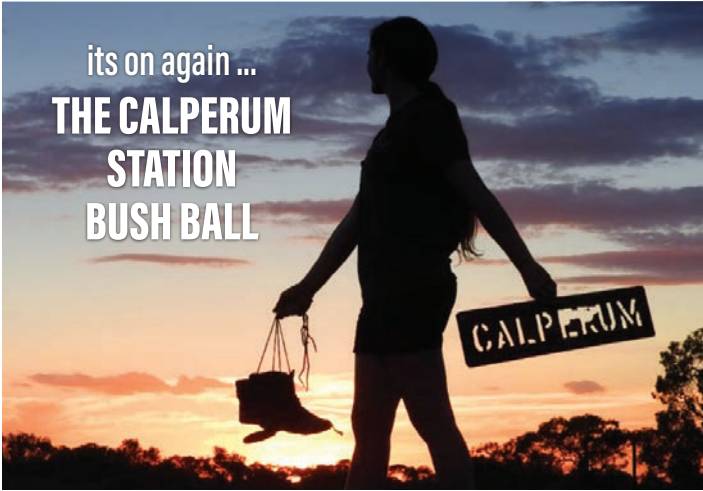

"We have a small committee organising the Bush Ball, and they are looking to get a special guest entertainer, so it's going to be great," she said.

"Also, as part of the festival we are going to be having some tours, taking people out onto the floodplains and having a look at the work that the ecologists and the rangers are doing, so there is lots planned."

With a surprise special guest entertaining, attendees are set for a spectacular evening under the stars at Calperum Station.

Camping and accommodation are available for those wanting to truly encapsulate the Bush Ball experience, which includes an optional 'morning after' Bush Breakfast on Saturday morning.

Transport to and from the station will also be available.

**Friday 20 October
6.30pm
Calperum Station**

Tickets are available for \$150 per person. Early bird bookings priced at \$135, available until Wednesday 20 September.

FRIDAY 20 OCTOBER - SUNDAY 22 OCTOBER

Renmark Institute’s floral display

A CROWD FAVOURITE OF THE RIVERLAND ROSE AND GARDEN FESTIVAL, THE RENMARK INSTITUTE’S FLORAL DISPLAY IS BACK FOR ANOTHER SPECTACULAR YEAR.

The display will take place on the first weekend of the festival from Friday 20 October, to Sunday 22 October.

This year’s theme, ‘Riverlanders Are Rocking’ is an ode to the 2022/23 River Murray flood, with the aim of portraying how resilient Riverland residents remained throughout the natural disaster, through the use of flowers.

A group of hard-working

volunteers come together each year to make the magic happen, spending endless hours on Wednesday and Thursday collecting flowers from gardens around the Riverland to contribute to the vibrant display that has been a mainstay of the festival for years.

Attendees will be able to walk through the floral display, taking their time to admire each unique component.

“We went through a few ideas before settling with the theme,” one of the display organisers, Jill Knight said.

“What we are trying to do is show how Riverland people have shown their resilience by getting on with their normal life.”

Friday 20 & Saturday 21 October | 9am to 4pm
Sunday 22 October | 10am to 2pm
54 Ral Ral Avenue, Renmark

Entry is \$5.

FRIDAY 20 OCTOBER - SATURDAY 21 OCTOBER

Waikerie’s ‘fashionable’ flower show

THE 41ST WAIKERIE AND DISTRICTS COMMUNITY FLOWER SHOW IN OCTOBER WILL CENTRE AROUND THE THEME OF ‘FASHIONABLE FLOWERS’.

Show committee member Carole Walker is organising a floral art display, incorporating a dinner party setting and wearable fashion.

Ms Walker said participants are encouraged to do their own interpretations of the theme.

“It could be related to actual fashion such as a bonnet, or feature the latest floral trends,” she said.

“People are very creative with what they come up with.”

“A lot of people use gerberas, carnations are coming back into vogue, and roses are always in.”

“Gypsophila (also known as baby’s breath) is coming back into vogue and is also being used in people’s flower arrangements.

“It really is what is in your garden and what you can grow in Waikerie.”

The show’s categories include cut flowers, roses, Australian native plants, pot plants (including orchids), children’s exhibits, floral photography and floral art with open, intermediate, and novice sections.

The Waikerie and Districts Community Flower Show committee has been encouraging children to enter by offering free potting packs to them at the Waikerie Rotary Rock ‘n’ Roll Festival market in May.

“It is a great opportunity for grandmas to work with their grandchildren to create an entry for the flower show,” Ms Walker said.

There are several different categories for juniors.

The show committee’s president and secretary Glennis Crawford said Waikerie’s Rain Moth Gallery has donated \$300 in prize money for the Floral Photography section.

On offer will be \$50 for the primary school category, \$100 for the secondary school category, and \$150 for the open section.

Mrs Crawford said the committee was grateful to the Loxton Waikerie council for allowing them to use the Waikerie Memorial Institute at no cost and for funding the printing of the flower show program.

She also thanked the community organisations and local businesses for their “generous support” of the show.

The former president of the Royal Agricultural & Horticultural Society of SA and Riverland Rose and Garden Festival committee member and former president Richard Fewster will officially open the show.

Well-known floral art judge Alethia Quick, OAM, from Adelaide and highly regarded cut flower and rose judge James Argent from

Angaston will choose the winning exhibitors for the floral art sections and rose and cut flower sections respectively.

Entries need to be delivered to the Waikerie Memorial Institute on Thursday 19 October between 2pm and 7pm.

The show is open to the public on Friday 20 October from 10am to 5pm and will feature a free floral art demonstration at 2pm.

It will also be open on Saturday 21 October from 10am to 2pm with free children’s floral art workshops from 10am, however bookings are required.

Waikerie High School’s year 11 students will be serving high teas in the morning and afternoon.

Entry is \$5 for adults and \$4 for pensioners and free for children.

GATHER TOGETHER IN THE UNIQUE ENVIRONMENT AT RUSTONS DISTILLERY FOR A FUN AFTERNOON IN THE SUN, SURROUNDED BY LUSH GARDENS.

Following the first Rustons Fest in March this year, which exceeded expectations of organisers, a second Fest will be

held this October as an opening weekend event for the Riverland Rose and Garden Festival.

Local food vendors will be set up, plus Rustons' handcrafted spirits will be available to try, with Riverland produce and businesses showcased for the day.

A line-up of live music will play throughout the day and into the night, with the event running from 3pm until 9pm.

With a mix of genres and styles there is sure to be something to get everyone up and dancing.

Come along, enjoy the gorgeous gardens and atmosphere at Rustons and set up for a day in the sun and a night under the stars.

Mark the date on your calendar and get someone to look after the kids, because the event is adults only. You will be required to show ID upon entry.

FRIDAY 27 OCTOBER

Gala Dinner at The Precinct

FOOD, WINE AND ENTERTAINMENT ARE ALL ON THE CARDS FOR THIS YEAR'S RIVERLAND ROSE AND GARDEN FESTIVAL GALA DINNER.

Hosted by The Precinct in Loxton, on Friday 27 October, guests can expect a three-course, alternative-drop meal, catered by the venue's own chef, with options sure to please everyone.

Guests are encouraged to get their favourite floral attire at the ready to enjoy a great night of food, wine and live entertainment by a local musician.

The Precinct venue manager, Rachel Wagner, said she and the team were feeling "really

excited" ahead of the popular festival event this October.

"It'll be really good to showcase our venue to people who wouldn't normally patronise us," she said.

"Being a sporting venue, there are lots of people who still haven't been here. It's nice to have an opportunity for them to come and see the venue."

The Precinct comfortably seats 150 people, with up to 200 able to be catered to, and is set to be a "lovely space" to host the gala dinner.

Berri-based Dominic Wines will also supply local wines for the night, giving guests a chance to taste quality, Riverland wines.

This is the second time in the Riverland Rose and Garden Festival's 29-year history the Gala Dinner has been held outside of the Renmark district.

Friday 27 October
7pm
25 Bookpurnong Terrace, Loxton

Tickets are \$100 per person, which includes the three-course meal and a drink on arrival.

An event will be created via Eventbrite closer to the Gala Dinner, so keep an eye out on Facebook to book and for more details.

Loxton Tree Sculptures
DISTRICT COUNCIL OF LOXTON WAIKERIE

Riverland artist Tim Boulderstone shaped the trunks of Aleppo pines in 2014, sculpting the public art with a chainsaw and angle grinder. Year 9 art students from Loxton High School helped design the creations using clay. This area is now home to 16 incredible carvings including a frill-necked lizard, sulphur-crested cockatoo and a goanna, set among a natural environment for all to enjoy.

Lion Allan Thurmer Recreational Trail & Martin Bend Wetland
BERRI BARMERA COUNCIL

A short distance from the centre of Berri, this 2.8km loop of the local wetlands begins at the Berri marina and extends to Martin Bend. The trail includes five lagoons and a permanent connection to the river. An amble along this mainly flat loop takes about one hour, and is a great way to appreciate the local ecosystem and diversity of flora and fauna populations.

DAY ONE 10AM
WEDNESDAY 25 OCTOBER

KERRY CHAMBERS, OF HALF BARREL HONEY

Affectionately known as the Riverland Bee Lady, Kerry returns to the Riverland Rose and Garden Festival seminars for a third consecutive year. Kerry provides a captivating story on just about everything you need to know about bees; from their role in food production to keeping your own hive. She is passionate about bees, their role in society and the food chain and is an expert on how to integrate bees into everyday life. Come along and learn about the incredible secret life of bees: learn about the natural behaviour of bees within their colony, the types of bees in a colony, what they collect from our environment and how they swarm to create new colonies. Get an insight into how beekeepers use this natural behaviour to produce honey, wax, surplus queens and, of course, thriving bee colonies. As she says, one third of the food we eat relies on bee

pollination for success including canola, citrus, apples, avocados, apricots, cherries, stone fruits and almonds to name a few. She is also passionate about the Host a Hive program, which provides an opportunity for individuals to reap all the benefits of having a beehive in their own backyard but without the stress. As she will explain, your garden and fruit trees will get a boost from the bee pollination and as a reward get the sweetest gift of all – honey.

DAY ONE 1PM
WEDNESDAY 25 OCTOBER

TIM FIELD, OF RIVERLAND NATIVE PLANTS

A specialist in the field of native plants, Tim will share his extensive knowledge about how natives can produce flowers for the garden all year round. Owner of Riverland Native Plants in Loxton North, Tim and his family have spent the last two decades focusing on growing plants with community and governmental nurseries, and assisted with annual tree planting projects to rehabilitate the landscape with native plants for fauna habitat. Tim's background is in the public sector as an ecologist and he knows native species like the back of his hand. Working in the Riverland landscape has fuelled Tim's love for native plants,

with a greater understanding of the landscape and how certain natives work with others, including what suits local soils.

DAY TWO 10AM
THURSDAY 26 OCTOBER

IAN TOLLEY, WORLD-RENNED HORTICULTURALIST

If you want to be stimulated by your plant passions, come to Ian's seminar session to learn about developing good soil composition and activity. Ian has been hosting masterclasses through southern Australia for more than 30 years. They continue to be very popular and he has altered the format to include some more local relevancies such as his personal experiences with both 1956 and 2023 River Murray floods. There are many interesting offsets involving trees and shrubs under flood pressures and what to consider in the way of plant recovery. A major part of such a desire is to understand what happened to soils submerged and

understand the basic physiology of how biota in those soils work in conjunction with submerged plant and shrub roots. He has detailed, what participants might want to talk about in the plant world including watering, or too much, fertilizing and what happens in the soils. That list is endless.

The Riverland's Garden Clubs

THE RIVERLAND IS HOME TO SEVERAL GARDEN CLUBS, WITH RICH HISTORIES AND MEMBERS WITH PLENTIFUL KNOWLEDGE ON GARDENING AND FLOWERS.

The Loxton, Waikerie and Districts, Berri Barmera and Renmark garden clubs are all members of The Garden Clubs of Australia, a non-profit organisation formed by Margaret Davis OBE in 1950.

The organisation provides a range of services to its members and affiliated clubs. The primary and major object of The Garden Clubs of Australia is to extend the culture of gardening into the wider community for the benefit of all citizens.

WAIKERIE & DISTRICTS GARDEN CLUB

Established in 2001 by a dedicated group of local residents, continuing with an ardent group of leaders over the years, who promote the motto 'friendship through gardens'. We welcome anyone with a love of plants and flowers and an interest in gardening. The knowledge and passion shared by members is amazing, with additional knowledge from guest speakers and workshops, plus garden visits and annual bus trips. We hold a regular competition for Flower of the Month and have dedicated members who choose a Garden of the Month from within the districts. The club meets at the Ramco Institute every second Tuesday at 7pm in winter and 7.30pm in summer, unless activities dictate alternate day and time. Everyone is welcome to attend and join in for a light supper.

LOXTON GARDEN CLUB

The Loxton Garden Club began on 5 May 1959 and was active until membership dwindled, and the club went into recess in 2013. In 2018 the garden club resumed and is once again very successful, having a strong membership and holding their annual high tea event with funds raised going to the Royal Flying Doctor Service (RFDS). Meetings held on the fourth Sunday of the month, at the Loxton Club's Woolshed Room from 2pm, when not out and about visiting gardens. For further information contact Jacque Schulz (0402 158 759) or Ian Cass (0428 876 220), or send an email to: loxtongardenclub@gmail.com

BERRI BARMERA GARDEN CLUB

The Berri Barmera Garden Club meets every third Sunday afternoon from 1.30pm at the Riverland Central Church, Mortimer Road, Berri. Regular guest speakers come along and in the warmer months we often go out on excursions around the Riverland.

The meetings usually go for an hour and a half and conclude with afternoon tea. We are always looking for new members, so if you are interested please call secretary John Fewster (0409 885 811) for more information.

RIVERLAND ORCHID SOCIETY INC

Established in Loxton in 1977, the society allows members to display orchids, share ideas, provide demonstrations, and listen to guest speakers at meetings. During the year, the club hosts shows, visits other clubs and views collections.

Meetings are held every second Sunday, at the Uniting Church, Belmont Hall, Denny Street in Berri from 1.30pm. New members and visitors are always welcomed. Contact Trevor (0419 184 659) for more information.

CHAFFEY ROSE CLUB

The Chaffey Rose Club was started in 1996 and is affiliated with the Rose Society of South Australia. The club does not meet on a regular basis but through the year we have day trip visits to local gardens, lunches etc.

The club is about promoting the rose. Neutrog products are available to members at heavily discounted prices. Contact Elly (0427 955 206) or Jill (0415 387 943) for more information.

From humble beginnings to almost three decades on

The Riverland Rose and Garden Festival was the brainchild of Eithne Sidhu who collaborated with David Ruston to run the very first Renmark Rose Festival in 1994 – then known as Rose Week.

Eithne saw it as an event to bring people into the town and promote Renmark as the rose capital of Australia. Her vision has certainly been realised.

Since its humble beginnings, the festival has evolved into a major regional event and today runs for 10 days, spans towns across the Riverland and provides a range of events and attractions.

In 2022, the festival was re-branded as the Riverland Rose and Garden Festival as one of the region's largest and most supported festivals.

This involved a broadening to

include all gardens across the whole Riverland and our unique indigenous culture, flora and fauna.

The fact it has been going for 29 years and is still strong says it must be working. The committee is already working on next year's 30-year milestone event, with plenty to look forward to.

The festival is not just about roses, as lovely as they are, but all gardens, food and wine, visual arts, music and crafts, river recreation and a host of other events that make this festival an iconic event.

With garden and nature tourism recognised as the top two fastest growing tourism markets in the world, the 10-day festival is now a major state event that attracts visitors from all over Australia and is stretching out to

a worldwide audience.

Last year, the committee welcomed president of the World Federation of Rose Societies Henriette de Briey as a special guest to officially open the festival.

The Riverland's townships' rose gardens provide a spectacular backdrop throughout the festival and are immaculately presented each year.

The Riverland Rose and Garden Festival celebrates the region and its communities. It's an opportunity to showcase the region's produce, enjoy our spectacular weather and experience the beauty of the magnificent River Murray.

Be welcomed by the diverse, multicultural community and experience our friendly and accommodating hospitality.

Riverland Rose and Garden Festival acknowledges the traditional custodians of the River Murray and Malle, and pays respect to Elders past, present and emerging.
